enough quantity of wheat in time to different parts of the country particularly in Rajasthan and West Bengal resulting in closure of many flour mills;

(b) if so, the details thereof;

(c) what steps Government propose to take to avoid closure of flour mills due to shortage of wheat; and

(d) whether Government also propose to privatise the handling of rice and wheat ?

THE MINISTER OF STATE (INDEPENDENT CHARGE) OF THE MINISTRY OF FOOD (SHRI TARUN GOGOI): (a) to (c) After the delicensing of Roller Flour Mills Industry in 1986, the Central Government is not statutorily bound to supply wheat to Roller Flour Mills. They are required to meet their requirement from the open market. However, Food Corpoartion of India do sell some quantities of wheat to the Roller Flour Mills at the appropriate time as and when necessary to improve open market availability provided it has stocks over and above the requirements for the public distribution svstem and without jeopardising the country's food security.

(d) Handling of rice and wheat, apart from the quantities procured by FCI and public agencies is already with the private trade.
